

PRED – ESTABLISHMENT – Rationalisation of PRI and PIU Wings for effective implementation of works programme in Panchayat Raj Engineering Department and uniform work distribution among all the Engineers utilize their efficiency and achieving targets – Orders – Issued.

G.O.Ms.No.5

Dated:16-1-2015.

1. G.O.Ms.No.383, PR&RD (E.I.2) Department, Dt: 09.12.2009.
2. From the Engineer-in-Chief (PR), Letter.No. B.PR-I/3281/2014, dated:24.11.2014.
3. From the Engineer-in-Chief (PR), Letter.No. B.PR-I/3281/2014, dated:29.11.2014.
4. From the Engineer-in-Chief (PR), Letter.No. B.PR-I/3281/2014, dated:01.12.2014.

ORDER:

In the G.O. 1st read above, the organization structure of Panchayat Raj Engineering Department was redefined, duly creating exclusive divisions/subdivisions separately for Projects and PRI Wings restructuring the Divisions, Sub-Divisions and posts by categorising into 4 types and the existing PRI and PIU divisions have been converted into PRI, PIU, PR (PRI +PIU) and QC for effective implementation of PMGSY programme, which is grant in aid from Government of India. The PIU Divisions and Sub-divisions are being under taking all the project works including the PMGSY programme and to ensure that the PMGSY works and RIDF works are executed on top priority through dedicated project implementation units, and also to ensure that the works of ZP, MPP, Gram Panchayats and the NREGS are properly supervised, the Department has to provide separate field staff for the projects and PRI works with the existing and proposed additional field staff under PMGSY. The Government have also issued orders to reallocate the subdivisions and sections within the zone from time to time depending upon the workload as it varies based on the sanctions.

2. In the letters 2nd to 4th read above, the Engineer-in-Chief, Panchayat Raj, Hyderabad, has stated that the Government have taken up massive programme of rural roads i.e., B.T. Renewals, Maintenance of WBM/gravel/earthen roads, B.T. Up-gradation of existing roads to BT standards and at present there is a work load of Rs.7171.60 crore under PRI and Rs.1173.58 crore only under PIU. There is a lot of visible difference in work load among Section Officers working under PRI and PIU Wings in the Department. The present work load for each Section Officer in PRI is Rs.11.14 crore whereas in PIU, it is Rs.4.83 crore only. Subsequently, the funds flow of the external aided projects and Government of India funds has been gradually declined, due to which the staff working in Project Implementation Units are not having sufficient work load except in two districts (Khammam and Adilabad). As such, there is every need to have uniform work distribution among all the Engineers and utilizing their services efficiently and achieving the targets of the Government. In view of the above, there is need to rationalize the present set up by continuing one PIU Division for each district and in the field, one or two PIU AEEs/AEs exclusively for one Sub-division to execute the Project works such as PMGSY, NABARD etc., as per the prevailing work load duly rationalizing the jurisdiction of Sub-divisions as PR Sub-divisions and rationalizing the PRI and PIU with the existing sanctioned posts only. Accordingly, the Engineer-in-Chief (Panchayat Raj) has furnished proposals for rationalization of PRI and PIU Wings for effective implementation of works programme in Panchayat Raj Engineering Department, to achieve the targets of the Government and requested to issue necessary orders accordingly.

3. Government, after careful examination of the matter and in supersession of the orders issued in the G.O. 1st read above, to the extent of Zone-V and Zone-VI including Head of the Department hereby order for rationalization of PRI and PIU

Wings as indicated in the Annexures to this order with immediate effect. Annexure-I indicates the district wise Divisions and Sub Divisions and cadre strength of Section Officers under each sector i.e., PR, V&QC and office posts. Annexure-II indicates the jurisdiction of each division, sub-division and number of Assistant Executive Engineers/Assistant Engineers allocated to subdivisions and number of Assistant Executive Engineers/Assistant Engineers allocated to each Circle office and division office. Annexure-III indicates the shifting of posts of PIU Sub-Division Madhira. Annexure-IV indicates the Shifting of surplus Assistant Executive Engineer/Assistant Engineer posts. Annexure-V indicates the distribution of posts of Deputy Executive Engineers and Assistant Executive Engineers/ Assistant Engineers in the office of Engineer-in-Chief (PR), Hyderabad.

4. At present two V&QC sub divisions exist in each district and located one in district Head Quarters and another one sub division is located in outside District Head Quarters at appropriate location. In view of the present work load it is necessary to strengthen the Quality Control Wing. As such now one Quality Control Division in Mahabubnagar District and Two more Quality Control sub-divisions i.e., one in Khammam District and another in Mahabubnagar district are reorganized by converting regular Division/Sub-division. Further one Sub-division is proposed at Nakirekal by shifting one post of PA to Superintending Engineer, Panchayat Raj, Nalgonda (Deputy Executive Engineer). Keeping in view of the above, two or three Mandals to one PR sub-division and in some cases more than three Mandals and one Section Officer to each Mandal and one or two Special Section Officers to each Sub-division as the case may be, with the existing cadre strength and one Deputy Executive Engineer post and twenty Section Officers posts from certain districts are hereby shifted to the Engineer-in-Chief office as there is a lot of work load in the Engineering-in-Chief office.

5. The salaries of the Mandal Engineering Officers (MEOs) are being drawn by the concerned Mandal Parishad Development Officers and the salaries of the Deputy Executive Engineers/Assistant Executive Engineers/Assistant Engineers are being drawn by the concerned Executive Engineer and the same will continue.

6. The Director of Treasuries and Accounts, Hyderabad is requested to allow pay bills for the posts designated in the Annexures-I to V.

7. The Engineer-in-Chief, Panchayat Raj, Hyderabad shall take further action accordingly.

8. This orders issued with the concurrence of Finance Department vide their U.O.Note.No.8024/295/A1/HRM.I/14, Dt:02.01.2015.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
